SETTING UP AN AUTOSHIP PLAN

Create AutoShip Plan

The easiest way to keep your valuable account active

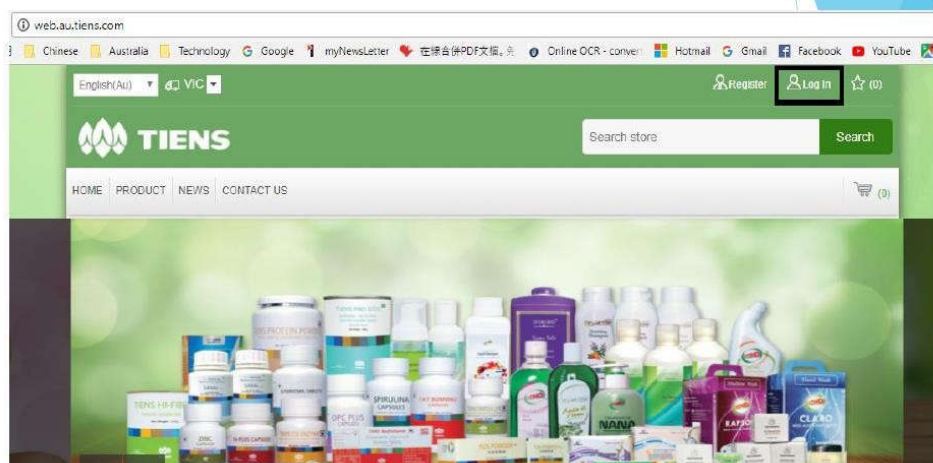

AutoShip - what is it and why be on it?

- ▶ CONVENIENCE: Have your favourite products automatically sent to you each month.
- ▶
- ▶ FLEXIBLE: You can change the product and/or shipping date at any time to meet your needs.
- ▶
- ▶ There are multiple benefits to being on AutoShip as opposed to randomly placing orders. Whether you're happy using the products or building a secondary income, either way being on AutoShip means:
 - ▶ 1. Dietary supplements and skin care products need to be used on a regular basis to get the full benefits, AutoShip ensures you never run out of stock and can maintain your regime or program.

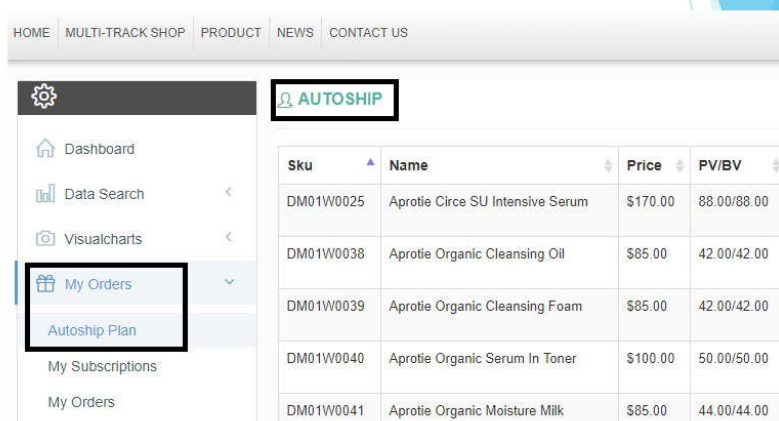

AutoShip - what is it and why be on it?

- ▶ 2. It ensures you always maintain your '*active status*' by automatically ordering every 4 weeks. Once you place an order for 50 PV select the autoship weekly cycle required Week 1, 2, 3 or 4 and it will always ship during that week, every month.
- ▶ 3. You never miss out on commissions from the people below you as your friends & family join you (*inactive* Distributors do not earn commissions - *active* Distributors will accumulate the personal and group sales volumes indefinitely so they can qualify at higher levels).
- ▶ 4. Save time every month as orders are automatically placed without the need to spend time placing orders.
- ▶ 5. Use it to plan regular deliveries for loyal customers to ensure they always receive the products they know and love.
- ▶ 6. This allows you to plan your weekly/ monthly sales goals for yourself and your group so that everyone wins.
- ▶ AUTOSHIP - IT'S FREE & EASY - TRY IT TODAY!
